|                               | Product   | Source         | HS Code    |
|-------------------------------|---|----------------|------------|
| <b>Acrylic Resin</b>          |   |                |            |
| 1                             | Water Based Solid Acrylic Resins                        | China          | 3906909090 |
| <b>Agents &amp; Catalysts</b> |   |                |            |
| 1                             | DEA (Diethanolamine)                                    | Taiwan         | 29221100   |
| 2                             | MEA (Monoethanolamine)                                  | Taiwan         | 29221200   |
| 3                             | TEA (Triethanolamine)                                   | Taiwan         | 29221310   |
| 4                             | TEG (Triethylene Glycol)                                | India / Taiwan | 29053990   |
| 5                             | Triacetin   | China          | 2915390090 |
| <b>Flame Retardants</b>       |   |                |            |
| 1                             | Antimony Trioxide                                       | China          | 2825800000 |
| 2                             | APP (Ammonium Polyphosphate)                            | China          | 2835399000 |
| 3                             | CP 70 (Chlorinated Paraffin 70%)                        | China          | 3824909990 |
| <b>Personal Care</b>          |   |                |            |
| 1                             | Amino Acid Surfactants                                  | USA            | 3402110000 |
| 2                             | AOS (Sodium Alpha-Olefin Sulfonate)                     | China          | 3402110000 |
| 3                             | SLES (Sodium Lauryl Ether Sulfate)                      | China          | 3402110000 |
| <b>Plasticizers</b>           |   |                |            |
| 1                             | ATBC (Acetyl Tributyl Citrate)                          | China          | 2918150000 |
| 2                             | DBP (Di-Butyl Phthalate)                                | China          | 2917341090 |
| 3                             | DEGDB (Diethylene Glycol Dibenzoate)                    | China          | 2916310000 |
| 4                             | DPGDB (Dipropylene Glycol Dibenzoate)                   | China          | 2916310000 |
| 5                             | DPHP (Di-(2-Propyl Heptyl) Phthalate)                   | China          | 2917349000 |
| 6                             | MK-TXIB (2,2,4-Trimethyl-1,3-Pentanediol Diisobutyrate) | China          | 29156000   |

# Key Products

|   | Product   | Source         | HS Code    |
|---|---|----------------|------------|
| <b>Raw Material for Adhesives, Coating, PU, TPU &amp; UPR</b> |   |                |            |
| 1   | Adipic Acid   | China          | 2917120001 |
| 2   | HEMA (2-Hydroxyethyl Methacrylate)                              | China          | 2916140000 |
| 3   | MA (Maleic Anhydride)   | Taiwan         | 2917140000 |
| 4   | MTHPA (Methyl Tetrahydrophthalic Anhydride)                     | China          | 2917209090 |
| 5   | Pentaerythritol   | China          | 2905420000 |
| 6   | PIA (Purified Isophthalic Acid)                                 | Korea / Taiwan | 2917391000 |
| 7   | PVA (Polyvinyl Alcohol)   | China          | 3905300000 |
| 8   | Titanium Dioxide  | China          | 3206111000 |
| 9   | VAM (Vinyl Acetate Monomer)                                     | China          | 2915320000 |
| <b>Rubber Additives</b>                                       |   |                |            |
| 1   | CH 80<br>(1,1-Bis(t-butyl peroxy) cyclohexane 80%)              | China          | 2909600000 |
| 2   | 1,6-bis (N,N- Dibenzylthiocarbamoyldithio)<br>-hexane           | China          | 3812100000 |
| 3   | BIPB (Bis(t-Butylperoxy Isopropyl) Benzene)                     | China          | 2909600000 |
| 4   | BPO (Dibenzoyl Peroxide 50%)                                    | China          | 2916320000 |
| 5   | DCBP (Bis (2,4-Dichlorobenzoyl) Peroxide)                       | China          | 2916399090 |
| 6   | DCP (Dicumyl Peroxide)  | China          | 2909600000 |
| 7   | DTBP (Di-tert-butyl Peroxide)                                   | China          | 2909600000 |
| 8   | TBHP (Tert butyl hydroperoxide)                                 | China          | 2909600000 |
| 9   | TMCH (1,1-Di (Tert-Butylperoxy)-<br>3,3,5-Trimethylcyclohexane) | China          | 2909600000 |

# Key Products

| Product                           | Source         | HS Code    |
|-----------------------------------|----------------|------------|
| <b>Solvents</b>                   |                |            |
| 1 DMAC (N,N-Dimethylacetamide)    | China          | 2924199090 |
| 2 EC (Ethylene Carbonate)         | China          | 2920909090 |
| 3 IDA (Isodecanol)                | Taiwan         | 29051990   |
| 4 MIBC (Methyl Isobutyl Carbinol) | China          | 2905199090 |
| 5 PEG (Polyethylene Glycol)       | China / Taiwan | 3402130090 |
